

# FROM NATURE, TO NATURE.

The first pet toy manufacturer to receive USDA certification from the U.S. Department of Agriculture.

The company adheres to the concept of harmonious coexistence between people and pets, adheres to the development line of independent innovation and research and development of products.

Focuses on the exploration of pet environmental protection and health products, and brings better product experience for more pet owners

## Innovation New Material

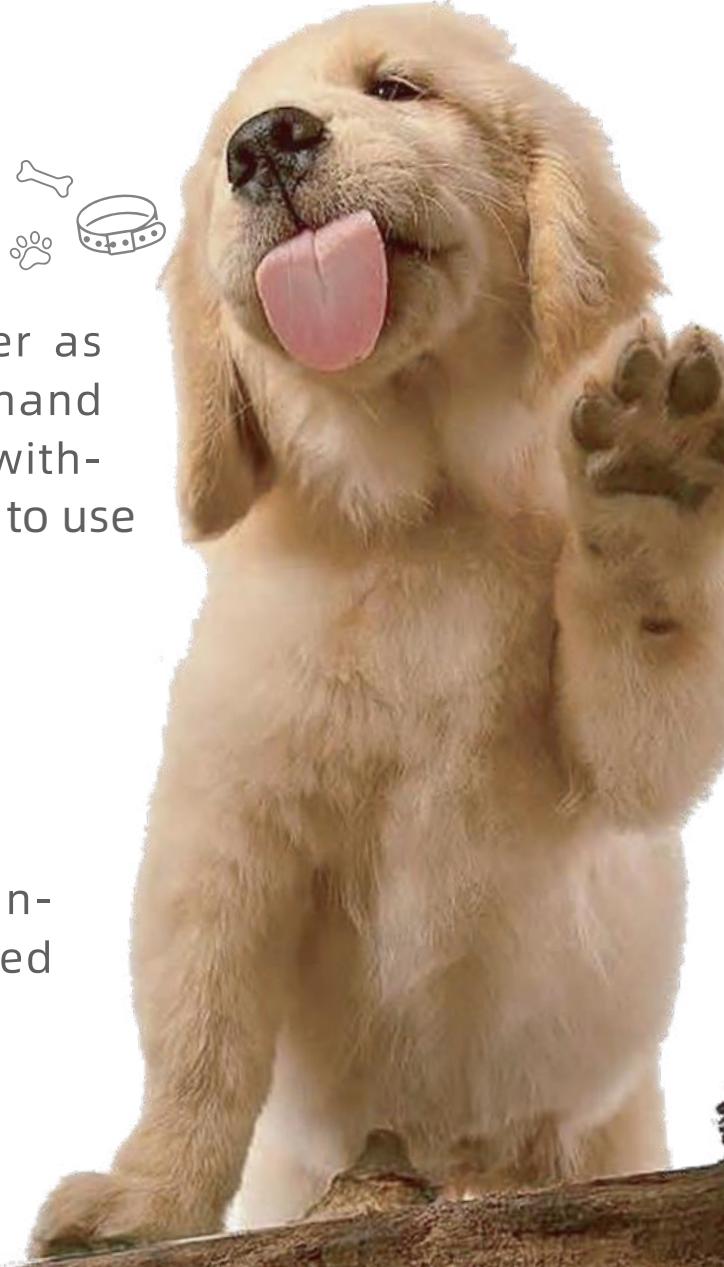

Food grade natural rubber and bamboo fiber as raw materials for dog toys! Biodegradable, green and safe for dogs to chew. Bite force of 1000-2000KG without deformation certified by SGS. We are permitted to use the biobased product label.

## Our Motto

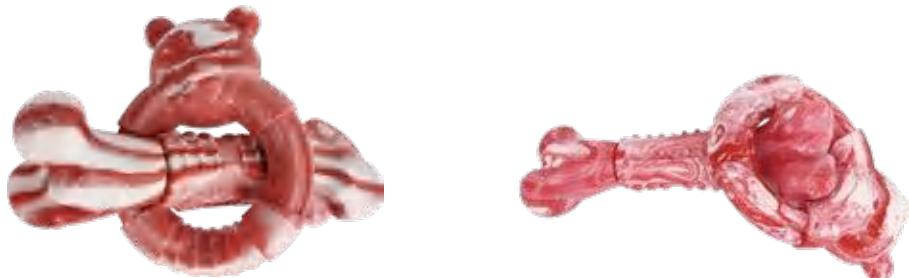

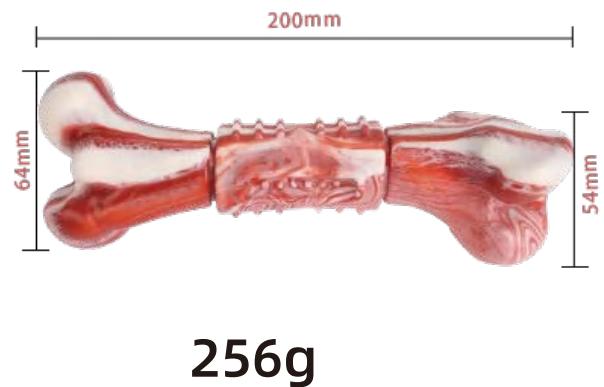

"Changing the way pets play" continues to inspire us to develop safe, fun & colorful toys designed to delight dogs of all sizes.

WD-001

【Chewing and biting】 Using safe and healthy materials, dogs will be more secure when biting and chewing snacks.

【Waterproof】

When the dog swims, throw the toy in the distance for the dog to retrieve. Interact and play with pets on the water to develop a tacit understanding with dogs.

【Frisbee】

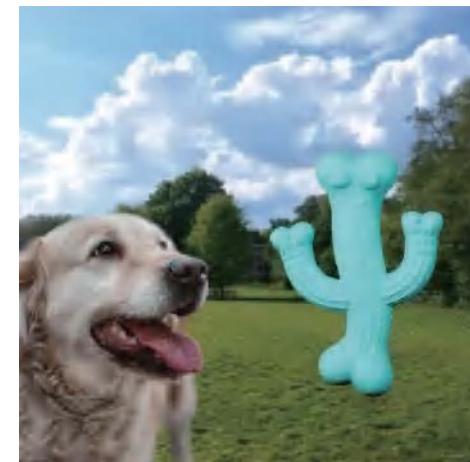

Can be used as a frisbee toy. Throw the toy in the distance for the dog to retrieve. Circular motion, increase the dog's intelligence, exercise the dog's physical ability, enhance interaction with dog owners.
