# Open-Closed Smart Cat Litter Box - Dawn Series

# Open-Closed Smart Cat Litter Box - Dawn Series

## Design

- 1 Semi-circular open design maximizes space, letting cats curl, stretch, and claw freely.
- 2 Inspired by cats' dislike of confinement, it offers instant comfort and a liberating "sky's-the-limit" feel

## Positioning

- 1 High cost-performance, perfect first automatic litter box for easy entry.

## Features

- 1 Third-gen smart control ensures long-term reliability
- 2 Biometric radar precisely detects cats, eliminates false triggers, offering industry-leading safety and peace of mind.

## Advantages:

- 1 720 units/40HQ, lowest logistics cost, strongest partner edge.

## Open Automatic Cat Litter Box

Product

Drum Cabin: Open-  
Large Capacity,  
Waste Bin Capacity  
11L

Capacity

Suitable for cats  
weighing: 0.8KG to  
15kg, supports  
recording up to 5 cats

Applicable

Product: 515\*450\*545MM  
Package: 535\*490\*360MM

Size

Sensing  
system

Infrared sensors: 2 pairs  
Gravity :4 groups  
osensors :1 biometric  
radar"

Features

Gravity sensors: 4  
pairs, deodorizing  
function with  
external deodorize

Power supply

Adapter (12V 2A))

Container  
loading

(40HC)720Pcs
